

INTERNSHIP PROJECT 1

FLIP ROBO TECHNOLOGIES

1. The answer is **15**
2. The answer is **Filter**
3. The answer is **Tuple**
4. The answer is **Error**
5. The answer is **raise**
6. The answer is **datetime**
7. The answer is **208**
8. The answer is **strptime**
9. The answer is **immutable**
10. The answer is **range**
11. The answer is **lambda**
12. The answer is **Both A and B**
13. The answer is **dump() method**
14. The answer is **load()**
15. The answer is **all of the mentioned above**
16. The answer is **option c**
17. The answer is **captians = {}**
18. The answer is **option c**
19. The answer is **I DON'T KNOW THIS**
20. The answer is **captains["Discovery"].pop()**
